

# Flex Premium Plus Fixed Annuity Investment Options

## Overview

### Document Summary

This document includes important information that may help you compare the different investment options (if available) under your retirement plan. For additional information about your investment options, visit the Internet Web site address shown in the Tables below, contact your Plan Administrator or Trustee or call us at 1-800-796-3872 as representatives are available Monday through Friday from 6:00 AM to 4:30 PM Pacific Time to assist you. You can also receive a free paper

copy of the information available on the Web site or additional information about your annuity product, by contacting your Plan Administrator or Trustee or call us at 1-800-796-3872.

This document has 3 parts. Part I has a telephone number where you can call for your fixed interest rates. Part II shows you the fees and expenses. Part III contains information about the annuity options available in the product under your

retirement plan.

Please visit <https://www.symetra.com/glossary> for a glossary of investment terms relevant to the investment options under this plan. This glossary is intended to help you better understand your options

### Part 1: Performance Information

#### Table 2

Table 2 shows contact information where you can call to get your fixed interest rate on your annuity product.

### Part 2: Fee and Expense Information

#### Table 3

Table 3 shows fees associated with your fixed annuity product.

The cumulative effect of fees can substantially reduce the growth of your retirement savings. Visit the Department of Labor's Web site for an example showing the long-term effect of fees and expenses at [http://www.dol.gov/ebsa/publications/401k\\_employee.html](http://www.dol.gov/ebsa/publications/401k_employee.html). Fees and expenses are only one of many factors to consider when you decide to invest in an option. You may also want to think about whether an investment in a particular option, along with your other investments, will help you achieve your financial goals.

### Part 3: Annuity Information

#### Table 4

Table 4 focuses on the annuity options under your plan. Annuities are insurance contracts that allow you to receive a guaranteed stream of payments at some future date, usually when you retire. The annuity in your plan is a deferred annuity meaning that you accumulate an account balance that can later be converted (at your choice) into an income stream. Annuities are issued by insurance companies. Guarantees of an insurance company are subject to its long-term financial strength and claims-paying ability.

This option is available through a fixed annuity contract your employer has with Symetra Life Insurance Company.</p> <p>You do not need to exercise this option and can receive a distribution equal to your contract value.</p>	<p>You have the right to elect fixed annuity payments in the form of a life annuity, life annuity with guaranteed period, joint and survivor life annuity and payments based on a number of years (PBNY). The payment amount will be based on many factors including the guarantees, if any; under the annuity option you choose, the frequency of annuity payments, the annuitant's age at the time you elect to annuitize your contract, and under some contracts, the annuitant's sex. There is no additional cost to begin receiving annuity payments under the contract.</p>	<p>If the amount applied to an annuity option is less than \$5000 we may pay you in a lump sum cash distribution where permitted by state law. If annuity payments are less than \$250, we may decrease the frequency so that each payment is at least \$250.</p> <p>Once you begin receiving annuity payments, the option you chose cannot be stopped or changed.</p> <p>The annual systematic Charge will continue to be deducted if you receive more than one annuity payment from the PBNY option in the prior contract year (currently waived).</p> <p>Employees should consult with their Plan Sponsor and Flex Premium Plus Contract prior to electing an annuity option.</p>
