What is First Symetra Term?

First Symetra Term is a life insurance policy providing financial protection for your family or business for 10, 15, 20 or 30 years. If the insured dies during the term of the policy, First Symetra Life Insurance Company of New York will pay a “death benefit” to the designated beneficiaries in a lump sum or in monthly payments.

Included rider

Accelerated Death Benefit for Terminal Illness Rider

If a licensed physician certifies that the insured is terminally ill with less than 12 months to live, up to 50% of the policy's death benefit (maximum \$250,000) can be accelerated in a lump sum.

Other optional riders (available for an additional cost)

Insured Children's Term Insurance Rider¹

Provides \$1,000 to \$10,000 of life insurance coverage on dependent children ages 15 days through 17 years. Benefit is paid if death occurs prior to age 25.

Waiver of Premium Rider²

Waives premiums for policies with a death benefit of \$5 million or less, and continues coverage if the insured is totally disabled for a consecutive period of at least six months.

Accidental Death Benefit Rider³

If the insured dies by accident, provides an additional death benefit of three times the policy's face amount up to \$250,000, whichever is less.

Additional Term Insurance Rider⁴

Adds level term life insurance coverage for a family member or business partner, with face amounts starting at \$100,000. The rider must have the same term coverage period as the base policy.

Help ensure the survival of your business or the financial security of your family with First Symetra Term.
