RE: Requirements for Replacements — Form LU-854

During a recent review of our procedures, we found that the replacement form we were requesting in Virginia needed to be revised to meet Virginia's Replacement Regulation. We have simplified the form to mirror the exhibit in the regulation. Going forward, the one-page LU-854 form will be required with applications for replacements.

A copy of LU-854 may be found under "Forms" on the [Advisories and Regulatory Training](#) page. The form is also available in the online forms section of our Web site or through supply.

If you have questions, please contact the Sales Center at invest@symetra.com or 1-800-706-0700.

Sincerely,

Michael Murphy
